cBook Platform

CREATE YOUR LEARNING WORLD

Are you looking for a LMS that is visually high-quality and appealing and tailored to your needs? A tool that allows you to manage and combine offline as well as online content in one system, measures learning success, and offers customized dashboards and course catalogs? cBook Platform is the right choice for you and your company.

THE ADVANTAGES AT A GLANCE

- ✓ Many configuration options
- ✓ Plug-ins to extend functionality
- ✓ Customizable themes (highly individual design)
- ✓ Integration into other systems
- ✓ Intuitive, visually appealing, and engaging learning platform
- ✓ Simple and effective user guidance

INDIVIDUAL DESIGN

Everything for the learning groups - **cBook Platform** is the learning management system of our cBook world. Unique and individually tailored to the learners. Perfect for creating an individual learning experience platform for your learning groups.

UNIQUE LEARNING PLATFORM

During the recruiting process or already during pre-/onboarding through to individual development within the company - **cBook Platform** combines what you and your learning organization really need.

INTELLIGENT COURSE PAGE

Our intelligent course page is key for your learner journey. It gives your learners the perfect overview.

cBook Platform promises an **individual** and **intuitive learning environment**, specifically tailored to the **needs** of the **company, target audience** or **customers**.

CREATE enters the stage as an **up-and-coming Totara partner** in **Germany, Austria** and **Switzerland**.

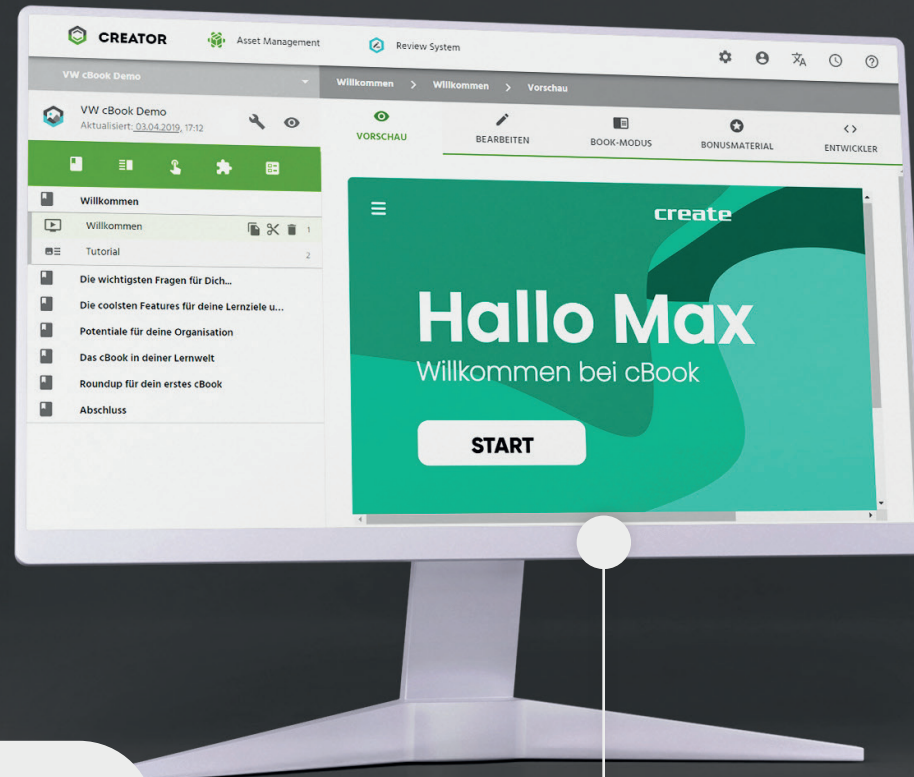

cBook Creator

THE AUTHORING TOOL FOR EXPERTS

Are you looking for an authoring tool with an intuitive backend and numerous features? cBook Creator offers a high degree of customization and can also be used to create accessible content.

THE ADVANTAGES AT A GLANCE

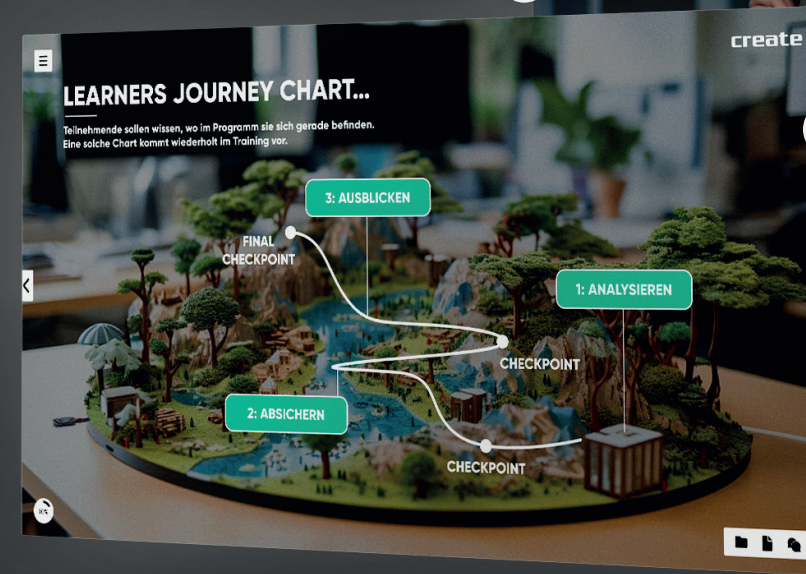

- ✓ JavaScript Integration
- ✓ Asset Management
- ✓ Creation of accessible content
- ✓ Social features
- ✓ High degree of individualization
- ✓ Innovative outcome in the frontend

cBook Creator promises an **advanced** and **versatile authoring** environment, particularly suitable for experts seeking a **comprehensive** and **customizable solution**.

INTERACTIVITY

Our authoring tool equips you with drag & drop, multiple and single choice questions and other dynamic options to make your learning modules not only informative but also interactive.

DISCOVERY MAPS

In the **cBook Creator**, you can not only conceptualize Discovery Maps but also visually design them. This feature allows you to not only plan complex learning paths and knowledge structures but also to make them individually appealing and intuitively understandable.

PROFESSIONAL BACKEND

At the heart of the **cBook Creator** lies a powerful backend that gives you full control over your learning content. Here, you can seamlessly create, customize, and manage content with intuitive tools. Whether you're analyzing data, tracking user interactions, or developing new courses, with cBook Creator, you have everything under control.

cBook Competence

INTELLIGENT SURVEY TOOL

The days of impersonal, standardized learning content are a thing of the past with **cBook Competence**. This revolutionary survey tool addresses the deep-rooted pain points of traditional learning systems. Say goodbye to generic content and rigid learning paths that barely engage. cBook Competence provides deep insights into the strengths and weaknesses of your trainees and allows you to implement these insights directly into personalized learning paths.

THE ADVANTAGES AT A GLANCE

- ✓ Conditional & repetition logic
- ✓ Degree of individualization
- ✓ Integration into other systems
- ✓ Personalized learning recommendations
- ✓ Individually customizable

DIVERSE OPTIONS

Expand your horizon in terms of surveys with **cBook Competence**: Utilize everything from scale questions to multiple choice and free-text responses to gain profound insights and create a rich data landscape.

PRECISE REPORTS

cBook Competence lets you not only create surveys but also benefit from integrated reporting tools that provide clear insights and actionable data.

cBook Competence revolutionizes the way we shape learning processes by enabling **personalized learning experiences**. Through the **integration of our tool**, we tailor the learning journey to **each individual** and provide **customized learning recommendations** based on their skills.

cBook

cBook is the perfect choice for anyone seeking a **customized, accessible, and seamlessly integratable learning** solution. Whether it's a **LMS, authoring tool**, or survey tool – our products **are fully customizable, accessible**, and effortlessly integrate into **existing systems**.

They bring a breath of fresh air to learning groups and companies by promoting **interactive** and **effective** learning.

Furthermore, we guarantee the **highest data protection standards**, fully comply with **GDPR** regulations, and securely host our servers in **Austria** and **Germany**. By using **cBook**, you're investing in a **future-proof platform** that redefines education.
